## NEW WINE DESTINATIONS

**YOUNTVILLE: REDD** might be the new kid on the block in Yountville's restaurant row but the place already shows the confidence of stalwarts like *Bouchon* and *Bistro Jeanty*. The menu may be more contemporary chic than Napa-French, but the broad windows overlooking Mt. Veeder plant you firmly in the rural ease of Napa Valley—as do dishes like glazed pork belly or Wolfe ranch quail with warm lentils. Wine director Chris Blanchard—who followed chef-owner Richard Reddington from *L'Auberge du Soleil*—balances a selection of top Napa wines with intriguing choices like Marsannay rosé. —WOLFGANG M.
